

Greater Shepparton Healthy Child Co-Design

We want to know what is important to you!

The Greater Shepparton Foundation and Greater Shepparton City Council wants to understand how they can improve the Maternal and Child Health Services for Afghan and Congolese families.

Who can be involved?

We are looking for 24 people from both Afghanistan and the Congo to join the Community Advisory Group. This group will help identify:

- Maternal and child healthneeds of the community
- Barriers experienced accessing maternal and child health services
- What would help the community to have better access to maternal and child health services

How does it work?

The Community Advisory Group will commence in September, 2024.

Each meeting will take 2 hours. Either 9:30AM – 11:30AM or 12:30PM to 2:30PM.

- Members of the Advisory Group will be paid \$70 for each meeting attended.
- Childcare will be provided on the meeting days
- Interpreters will be provided if needed
- In person meetings will be held at African House, on:
 - Wednesday 18th September
 - Wednesday 23rd October
 - Wednesday 6th November
 - Wednesday 27th November
